

Primary 1– Please find below some activities to do across the week

Literacy	<ul style="list-style-type: none"> No new common words this week. This will give you a chance to practise the words you have already learnt. Perhaps you could write some words and hide them around your house. Challenge your family to find them and read them to you. Now ask them to hide words for you to find and read to them. Write a sentence or two about your favourite character this could be from a book, tv or film). Remember to try your best to sound out your words. It doesn't need to be perfect! Draw a picture too. Phonics – explore the sound 'ck'. Play the games in your education city class folder, find the green ck and place on your phonics board, make words – back, sack, snack, track, look out for more ck words in your own books at home. Reading – Collins Big cat has made their ebooks available for free during the current lockdown. You will need to logon using the user name and password provided on their website. You could read the red levels books and may even wish to try some yellow level too. https://collins.co.uk/pages/big-cat-ebooks
Numeracy	<ul style="list-style-type: none"> Complete the maths games in your Education City Class folder. Position and movement – try to play games and make use of the vocabulary of position such as over, under, beside, above, inside, outside, on, through, and around. Perhaps you could ask someone to challenge you using a toy or a ball. E.g. Put the ball around your waist, under your foot, beside the table, over your head, inside a box etc

Key worker topic	<p>This week I would like you to think about people who work as transport workers. This could include public transport workers, delivery drivers, lorry drivers etc. Talk about – what they wear, what special equipment they use, who do they help and how do they help them?</p> <p>The following link is for a pack produced by first buses that you might wish to try some of the activities from such as designing your own bus. https://www.firstgroup.com/uploads/node_images/First%20Bus%20Digital%20Pack.pdf</p> <p>Perhaps you could make a road at home to drive some vehicles on.</p> <div style="display: flex; justify-content: space-around;">   </div>
