

### P3 Week beginning 22 June 2020

Boys and girls,

You have now reached your last few days of Primary 3. You have worked very hard this year both in school and at home. I know that during the summer holidays you will keep reading every day and practise your spelling, times tables, telling the time and money work so that you are ready for the challenge of Primary 4!

I think that as we missed our school trip you deserve a wee treat, a virtual day out with your family. You need to make a passport for everyone, decide where you would like to go, design tickets for your destination and click on the link.

Have fun!
