Primary 4

You have worked very hard at home and in school this year. As we can't go on holiday this year or go on a school trip, I think you deserve a virtual holiday or day out. You could design a passport, tickets and plan a trip for your family. Give them a choice of places to visit and use tally marks to find the most popular. You could use Google maps to find the places and keep a diary during your trip. Click on the link and enjoy your virtual trip.

Stay safe

Miss Mooney
